## GENERAL INFORMATION

**MT STANLEY SHUTTLE DAY** - Basically it's just that! A fun day of Downhill Mountain Biking with transport provided along with a BBQ lunch. We are riding the Mt Stanley Downhill course. This course is **NOT SUITABLE FOR BEGINNERS**. It involves very fast and steep fire road, single-track, jumps, rock gardens and berms. Riders for the Mt Stanley Shuttle day **must be at least strong intermediate to advanced downhillers**. The Mt Stanley Downhill Mountain Bike Trail has the reputation of being one of the biggest DH courses in Australia. It's up there with the vertical drop and length of Thredbo's infamous Cannonball Run and the Big Hill at Mt Beauty. For the Mt Stanley Shuttle Day the pick up point means you get around 5km of riding downhill over a vertical drop of close to 700 metres. There's fast fire trail, sweet singletrack, an insane rock garden and some cool jumps to boot.

**LOCATION** - The Track is located 9km outside the township of Stanley. Follow the signs from Beechworth (<http://www.beechworth.com>) to the township of Stanley.

**TIME/ PLACE** - Meet at the Stanley General Store at 9am sharp on Sunday 7 December 2008. Vehicles can be left at Stanley and transport will be provided from there to and from the track. The day will finish back at Stanley at around 4.00pm.

**ACCOMMODATION** - If you are planning on staying overnight in the area for the Mt Stanley Shuttle Day, please call the Beechworth Tourist Information Centre on 1300 366 321 or go <http://www.beechworthonline.com.au> for your accommodation and other travel queries. There's a range of accommodation available in Beechworth ranging from Caravan Parks to Motels, B&B's and pub style rooms. For non- riders, the town and area surrounding Beechworth has lots to offer- great shops, galleries, museums, a famous Bakery, walks, Historic Park and much more! For more information visit <http://www.beechworth.com>

**WHAT DO I NEED TO BRING?** - Riders must be fully self-sufficient. We're putting on a fun day of riding with lunch catered for, but we're not there to babysit you! Bring along spare tubes, tools and anything else that you're likely to need on the track. Don't rely on other people to bring stuff along. **FULL FACE HELMETS ARE COMPULSORY** and the use of body armour and gloves are strongly recommended. Don't forget your bike!!

**CAN I REGISTER ON THE DAY?** – No. There are limited positions available.
